RE: Android Engineer Intern

Dear Hiring Manager,

Upon learning about the Android Engineer Intern posting with Grindr, I was eager to contact you with my interest. When reviewing the job description, I was excited to see how my experience aligns with your company's needs and position requirements. From reading your company's website, I feel your core mission and culture suit what I offer as a professional.

As a Junior Android Developer, I have a well-rounded skill set in Kotlin and Java languages and honed talents in Android App Development, making me an ideal fit for the Intern position. Further, I am a recognized expert in teamwork and a communicative collaborator. My previous roles have strengthened my capabilities in planning and communication, including keen attention to detail and accuracy.

I am excited at the prospect of bringing my talents to Grindr. At your earliest convenience, I look forward to hearing from you to discuss how my experience and qualifications will prove valuable in the Android Engineer Intern role.

Thank you for your time and consideration.

Sincerely,  
Seif Eldin Mohamed Ahmed
